Wozu Fuehrung.

## **Escalation - A Novel**

In a household with more than one person, of which one is a writer, the only solution known to science is to provide the patient with an isolation room, where he can endure the acute stages in private, and where food can be poked in to him with a stick. But the loss of my father really did have an effect on me that I probably wasn't as much aware of until I started to hit my teenage years and started to achieve things - scholarships at school, passing HSC, dedicating them all to my father.
