La sfera del reale, da banco di prova della Sacra Scrittura, diventa il campo di verifica, tutto laico, del messaggio dell'opera letteraria; e se la storia narrata ha come protagonista l'"autore" e le sue innumerevoli proiezioni nei "personaggi" quella vissuta sembra conoscere quale unico arbitro il "lettore". These two viewpoints demonstrate that the encounter between Zionists and Arab was one where cultural

differences were ignored or exploited. They can view, comment, and give feedback along the way, and approve or reopen the work once it has been handed in.

Already in the twelfth century, Galician-Portuguese words began to appear amidst the medieval Latin of notarial papers, and the two earliest extant texts that may be considered Portuguese are legal documents. Before going down that path, it seems both informative and duly respectful to review and reflect on the work of past advisory bodies and commissions. Why this English masonic disaster in Kanto the area around Tokyo and Yokohama should have occurred is something of a mystery.
